HOW TO COMPLETE THIS JOURNAL

Over the next two weeks fill out as much or as little of this journal as you want to.

• Part One is for telling us about your day.
• Part Two is for answering questions on specific topics.

Here are some suggestions to help you fill out the journal:
• Fill out Part One once a day on 4 separate days over the two-week period.
• In Part Two, answer questions on the topics that interest you. You can leave some topics blank.
